

## WOMEN SELECT LEAGUE HEADS IN HYATTSVILLE

**Redication of Memorial M. E. Church Brings Out Great Congregation.**

HYATTSVILLE, Md., June 12.—The following officers to serve one year have been elected by the Hyattsville League of Women Voters. Mrs. K. J. Morris, chairman; Mrs. George B. Earnshaw, vice chairman and Mrs. W. A. Sadden, recording secretary and treasurer.

The league is planning a garden party at the residence of Mrs. Theodore J. Vandoren the evening of June 26.

Work being done by the woman's department at the University of Maryland will be shown by the Prince Georges County League of Women Voters in its booth at the fair of the league in Baltimore in the fall. Leagues from the various counties each will have a booth.

Mrs. K. J. Morris, of Hyattsville, will be in charge of the Prince Georges exhibit.

Large congregations including many Washingtonians, attended services held yesterday morning, afternoon and evening in the Memorial Episcopal Church here marking the rededication of the church, which has been practically rebuilt.

Features of the morning service was a sermon on "The New Heaven and the New Earth," by the Rev. Clarence T. Wilson, general secretary of the board of temperance, prohibition and the public morals of the Methodist Episcopal Church; music by the church choir and male quartet, and a statement regarding the rebuilding of the church.

The Rev. John E. Edwards, district superintendent, presided. Invocation was given by the Rev. Louis P. Chastain, pastor of the church.

The Rev. Mr. Chastain presided over the afternoon service, which was marked by a sermon, "Christian Chivalry," by the Rev. Herbert F. Randolph, pastor of Foundry Methodist Episcopal Church, Washington; prayer by Dr. Edwards; selections by the quartet from the Iowa Avenue M. E. Church, Washington; baptismal service, and a solo by Miss Wynema McKinley.

The rededication service proper took place in the evening when the sermon, "The Glory of the Church," was delivered by Dr. Edwards.

Other features of the service included dedication by the Rev. Chastain and congregation; music by the mixed quartet of the local church and by the aerial trio of Washington and a reception to members of the church.

Today in Firemen's Hall, Brentwood, the people are voting to decide whether or not Brentwood shall be a part of the city of Castle in charge of the election.

To the unusually active part taken by the women is attributed the record vote, 221, representing about 90 per cent of the entire registered vote of the town, cast in the recent town election in Bowie. The present board of town commissioners, Robert H. Smith, R. H. Sansbury and Charles J. Fladung were re-elected by comfortable margins. Altogether there were ten aspirants for the board.

**COMMERCIAL CONGRESS TO HANDLE RAIL CASES**

Investigation of unreasonable charges and practices of common carriers in interstate commerce is to be passed by a new Interstate Commerce Bureau, just established by the Southern Commercial Congress.

The bureau will handle the claims of shippers in the sixteen Southern States, through the Interstate Commerce Commission.

This bureau will be an addition to the commercial and trade activities carried on by the Southern Commercial Congress in the past fourteen years.

Dr. Clarence J. Owens, director general of the congress, will supervise the bureau, with the active management vested in Verne P. Simmons, formerly of the Interstate Commerce Commission. Former Senator Hoke Smith is chief advisory counsel of the bureau. Offices are being opened this week at 1415 I street northwest.

**The Liver Is the Road to Health**

If the liver is right the whole system is better off. Carter's Little Liver Pills awaken your sluggish, clogged-up liver and relieve constipation, stomach trouble, indigestion, bowels, loss of appetite, sick headache and dizziness. Purely vegetable. You need them.

## CITY CAMPAIGN IN ALEXANDRIA CLOSESTONIGHT

**Five Councilmen to Be Elected Under City Manager Form of Government.**

ALEXANDRIA, Va., June 12.—Tomorrow Alexandria will hold an election for five councilmen under the city manager form of government recently adopted by that community. The polls will open at sunrise and will close at sunset. It is predicted that a record vote will be polled. There are 4,000 persons who have paid their taxes in the city, but as some of these have not registered it is estimated that the total vote will not be much over 3,500.

There are fourteen candidates in the field. Of these five W. A. Smoot, R. S. Jones, A. H. Bryant, T. J. Fannon, and Edmund F. Ticer are candidates of the Citizens Committee.

W. J. McCaffrey, William Desmond, S. Devers, H. C. Aaron and James Clark are candidates of the Workman's Municipal League.

In addition to the other candidates of organizations there are Robert S. Green, Maurice E. Wilkins, Frank W. Latham and C. S. Ballenger who are running independently.

Henry Murray, of 911 Gibson street was found dead yesterday afternoon and his companion John Force formerly of 318 King street was found in an unconscious condition. The result, so the police say, was from alcohol. Force was taken to the Alexandria Hospital where after regaining consciousness he stated that Murray secured the liquor and they both drank it.

The funeral of Murray was taken to Wheatley's funeral chapel where an inquest will be held this evening.

The funeral of Mrs. Emma S. Purcell was held from her home 1120 King street this afternoon. The Rev. W. R. Reister, pastor of the Methodist Episcopal Church, conducted the funeral services and the burial was in Ivy Hill cemetery.

The pupils of the graduation class of the Alexandria High School last evening attended services at Christ Episcopal Church, when the Rev. William Jackson Morton, the pastor, delivered the Baccalaureate sermon.

The class consisted of thirty-seven members who marched to the church. The choir of the church rendered a special musical program. The graduation exercises of the high school will take place in the auditorium of the high school building on Friday June 16.

A meeting of Fitzgerald Council, No. 459, Knights of Columbus, will be held at the K. of C. Hall, next Wednesday evening. At this meeting the second of the series of addresses on the great men of American history will be delivered by a member. The address will be given by Martin E. Greene, who will also give his subject "Patrick Henry."

The funeral of the late Miss Katie T. Corbett, was held from St. Mary's Church this morning at 9:30 o'clock. The Rev. Lawrence Kelly, assistant pastor sang a mass of requiem and the burial was in St. Mary's cemetery.

The funeral of the late Mrs. Mary A. Pettit, was held from her home 331 South Patrick street this afternoon. The Rev. W. J. Morton, pastor of Christ Episcopal Church, conducted the funeral services and the burial was in Bethel cemetery.

**NEW RULINGS UPON DOG TAX IN ROCKVILLE**

New Montgomery County Law Provides Heavy Fine for Delinquents.

ROCKVILLE, Md., June 12.—Under the provisions of a law enacted by the last legislature, Montgomery county dog owners, of whom there are something like four or five thousand, are charged to pay the annual dog tax, but they will not be hunted up, as heretofore, and impounded, repeatedly in some cases, to "come across" with \$1 or \$2 per dog, as the case may be.

The new law provides for the collection of this tax by Thomas Gott, clerk of the police court, and that official is not required, and will not leave his office in the courthouse at Rockville to gather in the coin. Dog owners will, therefore, either have to go to Rockville to pay the tax or send the amount by mail, and failure or refusal to do so on or before the first of July of each year will subject them to a fine of \$25 for each offense.

The sheriff and his deputies and all constables have been charged to enforce the law, and as they have the additional incentive of receiving, as informers, one-half of the fines imposed, it is believed to be a pretty safe bet that after July 1 practically every dog within the boundaries of the county will be wearing a tax tag.

Mrs. O. C. Barnes, wife of the pastor of the Rockville Christian Church, who will soon leave Rockville, her husband having accepted a call to another church, was honored by the King's Daughters of Rockville a few evenings ago, when she was presented with a gold wrist watch as a token of esteem and in recognition of splendid work in behalf of the order. The presentation was made at the home of Mr. and Mrs. Joseph Reading, who Mrs. Barnes became a member of the organization. The King's Daughters have also presented Mrs. Barnes with a handsome umbrella.

The Daily and Sunday Times will be your most congenial friend on your vacation. Give your order today to have it sent to you; 95 cents a month or \$2.50 for three months.
